Dear Parents/Caregivers:

On behalf of the 1,000 Books Foundation, we invite you to participate in this **free** program which encourages you to read 1,000 books with your child before he or she starts kindergarten.

PROGRAM OVERVIEW

The concept is simple, the rewards are priceless. Read a book (any book) to your newborn, infant, and/or toddler. The goal is to have read 1,000 books (yes you can repeat books) before your precious one starts kindergarten. Does it sound hard? Not really if you think about it. If you read just 1 book a night, you will have read about 365 books in a year. That is 730 books in two years and 1,095 books in three years. If you consider that most children start kindergarten at around 5 years of age, you have more time than you think. So get started!

The key is perseverance. Make it exciting. Every time you finish 100 books, bring your child to the library to get their name on the wall!

HOW TO PARTICIPATE

- Read with your child. Studies have shown that reading with your child provides a great opportunity for **bonding**. Reading together is fun and will create life-long memories for the both of you.
- Keep **track** of the books that you read with your child. Just color in the star!
- Books read in Storytime count!
- Bring completed log to the library to get your child's name on the wall
- If you complete the 1000 book challenge, you and your child will be invited to a special event to celebrate their success.
