

# WE'RE TURNING OVER A NEW LEAF!

## FALLEN LEAF LAKE MASTER PLAN

The City is seeking to improve Fallen Leaf Lake. Design concepts include upgrades to existing park facilities, new opportunities for recreation, waterfront access, and parking improvements. The master plan will identify a lake loop trail system to help separate day-use activities from private rentals and address improvements between park trail connections and neighborhood access.

### Improvements

- Increased day-use parking
- A new trailhead from NE Lake Road
- Improved vehicle access from NE 23rd Avenue
- An overwater lookout and fishing pier
- A launch for hand-carried boats
- A play area and picnic tables
- Upgrades to the existing west-side trail
- An elevated concrete walk
- Kiosks and a marked loop trail around the lake
- Improved connections to neighborhoods and parks
