# WE'RE TURNING OVER A NEW LEAF!

## FALLEN LEAF LAKE MASTER PLAN

Fallen Leaf Lake is one of three interconnected lakes known as the Lacamas Corridor that also includes Lacamas Lake and Round Lake. The Fallen Leaf Lake Park features shoreline access, natural forest, hiking and biking trails, picnic rental facility, and parking. It is a treasured space for Camas residents and we intend to maintain its character.

### Park Improvements

The City is seeking to improve Fallen Leaf Lake during the Master Plan process. Design concepts include upgrades to existing park facilities, new opportunities for recreation, waterfront access, and parking improvements. The master plan will identify a lake loop trail system to help separate day-use activities from private rentals. It will also address improvements between park trail connections and neighborhood access.

#### Proposed site improvements include:

- Improved vehicle access from NE 23rd Avenue
- Increased day-use parking
- A new trailhead from NE Lake Road
- An overwater lookout and fishing pier
- A launch for hand-carried boats
- A play area and picnic tables
- Upgrades to the existing west-side trail
- An elevated concrete walk
- Kiosks and a marked loop trail around the lake
- Improved connections to neighborhoods and parks
