

SCHOOL CROSSING GUARD SUPPLIES

In 2016 the Camas Police Department was able to purchase school crossing guard supplies for a number of our local Camas schools through a private donation. NEW EMPLOYEE

One of the newer faces you are likely to see at the Camas Police Department is Aireanna Baldwin. Aireanna was hired to help improve our customer service at the front counter and to assist with public information requests.

Shop-with-a-Cop

Through a grant-funded program, the Camas Police Department partnered with Wal-Mart to bring a little Christmas cheer to 19 local children. Each child was able to spend \$100 to purchase gifts for family members.

PARKING ENFORCEMENT

2016 was a very busy year for the parking division, with 1426 tickets written. The Police Department worked closely with the Camas High School and surrounding neighborhoods to address parking issues associated with overflow parking from the high school into the surrounding neighborhoods. This process involved meetings with the neighborhoods, school district, town hall meetings, and city hall to establish new parking enforcement rules in the neighborhoods. In addition, parking switched to a new handheld device, program, and printer to issue and manage parking enforcement.
