

**NOTICE OF APPLICATION FOR
SHORELINE SUBSTANTIAL DEVELOPMENT PERMIT AND
SHORELINE CONDITIONAL USE
Camp Lacamas Step Sewer Project
(File #SHOR17-04)**

NOTICE IS HEREBY GIVEN that the City of Camas filed an application for a Shoreline Substantial Development Permit and Shoreline Conditional Use to replace the existing on-site septic system with the installation of a new STEP (Septic Tank Effluent Pumping) system to serve Camp Lacamas at 2025 NE Goodwin Road. The project is located within the shoreline designation of "Urban Conservancy".

Application Materials: The application was technically complete on February 12, 2018, and included the following documents, which are available for review at the Community Development Department (616 NE 4th Avenue): Narrative; site plan drawings; tree survey; A Critical Areas Report (12/19/2017); archaeological survey and a State Environmental Policy Act (SEPA) checklist.

Comment Deadline: Written comments must be received in the next 30 days, by **March 23rd, 2018**, before 5:00 p.m. Mailed comments may be directed to the Community Development Department, c/o Shoreline Administrator, 616 NE Fourth Avenue, Camas, WA 98607, or email your comments to communitydevelopment@cityofcamas.us. Only those persons who respond in writing (**indicating interest in the project**) will be included in future mailings, and receive a copy of the final decision.

Public Meeting: The proposed project will be reviewed by the Shoreline Management Review Committee at a public meeting. The meeting date and time have not been scheduled yet. Information regarding the public meeting will be posted on the city's website, and mailed to those interested parties, who have responded in writing to this notice.

For questions related to this application, please contact Lauren Hollenbeck, Senior Planner, at (360) 817-7253 or lhollenbeck@cityofcamas.us.
