

ORDINANCE NO. 1618

AN ORDINANCE granting to Northwest Natural Gas Company, its successors and assigns, the right and franchise to construct, lay, maintain and operate a gas pipeline for the transmission of gas, in, over, and upon four (4) concrete piers in Lacamas Lake, adjacent to the west side of the lake bridge, on State Highway 500, and specifying the limitations and conditions of such grant.

THE CITY COUNCIL OF THE CITY OF CAMAS DO ORDAIN AS FOLLOWS:

Section I

GRANT OF FRANCHISE

Northwest Natural Gas Company, its successors and assigns, hereinafter referred to as "Grantee", is hereby granted the right, privilege and franchise to construct, lay, maintain and operate a gas pipeline and appurtenances for the transmission of gas, over, across and upon four (4) existing concrete piers constructed in Lacamas Lake adjacent to the west side of the lake bridge on State Highway 500 in Clark County, Washington.

The right, privilege and franchise herein granted shall be deemed non-exclusive, and shall continue and endure throughout the term of this ordinance so long as the Grantee is in compliance with all the terms of this ordinance and all applicable laws and regulations of the federal, state and local government.

Section II

TERM

This franchise and the rights granted hereunder to Grantee in this ordinance shall extend and endure for a term of twenty-five (25) years from the effective date of this ordinance unless terminated sooner by the City as hereinafter provided.

Section III

CONSTRUCTION AND MAINTENANCE

All work done by Grantee, its successors and assigns, in connection with the construction, operation and maintenance of said gas pipeline, shall be performed to the satisfaction and subject to the supervision of the city public works director or other duly constituted

representative of the City.

Grantee shall not cause permanent injury to the concrete piers or the City's waterlines located thereon, nor shall Grantee in any manner unreasonably disturb or interfere with any water or sewer lines or other conduits now or hereafter laid by the City or any authorized company or corporation upon said concrete piers.

Except as to emergency repairs, Grantee shall, prior to installing, repairing, or relocating any pipe, main, conduit or service line, file with the Public Works Department or such other person designated by the City, plans and specifications thereof showing the work to be done, the location and nature of the installation to be made, repaired or maintained, and a schedule showing the time of beginning and completion, and shall secure the approval of the City before proceeding with any such work. Any subsequent changes in the plans, specifications or schedules shall require the approval of the City.

Section IV

RELOCATION

If the City shall improve the concrete piers, or improve or construct any sewer, waterlines, or other fixtures of the City on said concrete piers, and if by virtue of such improvement or construction it is necessary to change the location of Grantee's gas mains, pipes, services or appurtenances, then Grantee shall, at its own expense, upon reasonable notice by the City, move and change any gas main, pipe, service, attachment or appurtenance to conform to such public improvement.

Section V

INDEMNIFICATION AND INSURANCE

The Grantee, by its acceptance of this franchise, right and privilege, covenants and agrees with the City to at all times indemnify and hold harmless the City and its agents and employees from all claims, actions, suits, liability, loss, expense or damage of every kind and description, which may accrue to or be suffered

by any person or persons, firm, corporation or other body sustaining any damage arising out of the ownership, maintenance, excavation, installation, construction, repair, or operation of said gas system, or any other act done by Grantee under this right and privilege and/or by reason of any infringement of any patent of any article or system used in the construction and use of said gas distribution system. Grantee agrees that during the life of its franchise and any renewals thereof, it will maintain in full force and effect the following insurance:

- a. Compensation insurance complying with all state industrial accident compensation insurance and safety laws of the State of Washington;
- b. Bodily injury liability insurance with minimum limits of \$1,000,000.00 for each person and \$3,000,000.00 for each occurrence; and
- c. Property damage liability insurance with minimum limits of \$1,000,000.00.

Grantee may self-insure the first \$500,000.00 of such liability, and upon request, shall furnish to the City appropriate certificates for such insurance.

Section VI

NON-EXCLUSIVE FRANCHISE

Nothing in this ordinance shall be construed as granting an exclusive franchise or privilege for the use of the aforescribed concrete piers, provided however, that any grantee of similar rights and privileges shall not in the exercise thereof unreasonably interfere with the exercise of the rights and privileges granted hereunder.

Section VII

FORFEITURE

Grantee shall forfeit and shall be deemed to have forfeited and abandoned all rights, privileges and authority hereby conferred, unless within thirty (30) days after the effective date of this ordinance, it shall file in the office of the City Clerk, written

acceptance of the rights and privileges conferred hereby, which acceptance shall contain an express understanding by the Grantee, for itself and its successors and assigns, to faithfully comply with and abide and be bound by the terms of this ordinance and all of the requirements hereof, and to faithfully and timely keep and perform each and every term, covenant, agreement, obligation and condition required of, or imposed upon it or them by this ordinance.

Section VIII

TERMINATION

In case of the failure on the part of the Grantee to comply with any of the provisions of this ordinance, or if Grantee does or causes to be done any act or thing prohibited by or in violation of the terms of this ordinance, the City may declare a forfeiture of all rights and privileges granted by this ordinance and all rights thereunder shall cease; provided however, that such forfeiture shall not occur or take effect until the City serves by certified mail, return receipt requested, a written notice upon the local manager of Grantee setting forth clearly and in detail the failure or violation complained of, and Grantee shall thereafter have thirty (30) days from the date of mailing said notice in which to comply with the conditions of this right and privilege. If such failure or violation continues beyond said thirty (30) days, then the City may terminate this right and privilege by ordinance.

Section IX

REMEDIES

In addition to other remedies provided herein, the City reserves and shall have the right to pursue any remedy to compel or enforce the Grantee and/or its successors and assigns to comply with the terms hereof, and the pursuit of any right or remedy by the City shall not prevent the City from thereafter declaring a forfeiture for any reasons herein stated, after giving the notice required hereby, nor shall the delay of the City in declaring a forfeiture preclude it from thereafter doing so.

Section X

ASSIGNMENT

This franchise and the rights herein granted may be assigned, but no such assignment shall be of any force or effect until a copy thereof, certified as such by the proper officials of the Grantee, shall be filed in the office of the City Clerk in the City, nor until the City Council of the City shall have consented to such assignment. Any successor or assignee of the Grantee must file with the City Clerk written acceptance of the rights and privileges conferred hereby and such successor's or assignee's agreement to fully comply with and abide by and be bound by the terms of this ordinance and all the requirements hereof, and to faithfully and timely keep and perform each and every term, covenant, agreement, obligation and condition required of or imposed upon the Grantee hereunder..

Section XI

COMPENSATION

As compensation for the franchise granted by this ordinance, Grantee shall pay to the City an annual franchise fee of \$100.00. Said franchise fee shall be payable on the effective date of this ordinance, and thereafter on each anniversary of said effective date during the term of this ordinance. The Grantee shall also be required to pay all license fees and taxes which it may be required to pay by any other ordinance now in effect or hereinafter enacted including a business or occupation tax or public utility tax on persons engaged in the business carried on by Grantee.

Section XII

PUBLICATION EXPENSE

In addition to the annual license fee, Grantee shall reimburse the City for the cost of publication of this ordinance.

Section XIII

EFFECTIVE DATE

This ordinance shall take effect and be in force five (5) days from and after its passage and publication and after acceptance

by the Grantee as above required.
