

RESOLUTION NO. 1064

A RESOLUTION authorizing applications for funding assistance for Washington Wildlife and Recreation projects to the Interagency Committee for Outdoor Recreation (IAC) as provided in Chapter 79A.15 RCW, for acquisition, development, or restoration of habitat conservation and outdoor recreation lands and facilities.

WHEREAS, the City of Camas has approved a comprehensive plan that includes the Washougal River Trail and Lacamas Watershed Mitigation Bank; and

WHEREAS, under the provisions of the WWRP, state funding assistance is requested to aid in financing the cost of land and facility development/restoration; and

WHEREAS, the City of Camas considers it in the best public interest to complete the land acquisition and facility development/restoration projects described in these applications; and

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF CAMAS that:

Section I

The City Administrator be authorized to make formal application to the IAC for funding assistance.

Section II

Any fund assistance received will be used for implementation of the projects referenced above.

Section III

The City of Camas hereby certifies that its share of the project funding is committed and will be derived from local cash contributions.

Section IV

The City of Camas acknowledge that any property acquired or facility developed/restored with IAC financial aid must be placed in use as an outdoor recreation facility and be retained in such use in perpetuity unless otherwise provided and agreed to by the City of Camas and IAC (generally, IAC approves removing facilities from the perpetuity requirement when the facilities have reached their designed life expectancy, or because of extraordinary vandalism, acts of nature, fire, etc.).

Section V

This resolution shall become part of a formal application to the IAC.

Section VI

The City of Camas has provided appropriate opportunity for public comment on this application.

ADOPTED BY THE COUNCIL OF THE CITY OF CAMAS at a regular meeting this 5th day of June, 2006.
